“Now More than Ever”

The theme of this past year's giving campaign continues to be true on many levels. Our kids need us now more than ever. Our teachers need us now more than ever; and the Andover Advantage Foundation needs you now more than ever.

The Andover Advantage Foundation was founded in order to bring extraordinary learning experiences to each and every Andover student. This is accomplished by funding grants to provide resources to assure excellence in the educational experience of all students. We are able to do this through our partnership with each of you, our community, and the Andover Public Schools. Funds donated to the Andover Advantage Foundation provide unique student educational experiences through teacher grants for classroom enrichment activities, programs that directly benefit students, and equipment and materials to challenge students at all levels. Only through your tremendous support, are we able to fulfill that mission.

I want to take this opportunity to thank each and every one of you for your generous support. Now More Than Ever, that support is greatly appreciated.

to our Community Giving Campaign Chairs Wes and Amy Sawyer!

Wes and Amy Sawyer generously agreed to serve as our Community Giving Chairpersons for the 2010-2011 Annual Giving Campaign.

"We feel fortunate to be able to help with the important work of the Andover Advantage Foundation. We believe the Andover Advantage Foundation is a crucial link to the excellence in education provided by the Andover School district. In these tough economic times, the work of the Andover Advantage Foundation is needed now more than ever," Wes Sawyer said.

Wes and Amy were founding members of AAF and Wes has served as a Board member for six years and is a past president of AAF. They have lived in the Andover school district since 1998 and have two children. Jessica attends Andover Middle School and Drake is a student at Robert Martin Elementary School.

The Andover Advantage Foundation Board appreciates Wes and Amy's dedication and support for all students in Andover public schools.

Grants are made possible through donations from area patrons and businesses to the Foundation's Annual Giving Campaign each fall, as well as through donations from district staff members.

Their future is in your hands!
